

Music Technology

Entry Level , Level One, Level Two

Sixth Form Hub 2022-2023

Music BTEC First in Music (QCF). Through a combination of practical experience and written assignments, these vocational qualifications provide level 2 learners with the knowledge, skills and understanding needed for a career in the sector.

Units offered include composition, solo and ensemble performance, rehearsal and improvisation, production, recording and DJ technology.

Music is constantly evolving, inspiring creativity and expression in a way that no other subject can. This qualification offers students the chance to study a wide range of musical genres, with more opportunities for practical learning. Our BTEC brings theory, listening and composition to life in new and engaging ways, and links to the world around us like never before.

We know that every student has different learning styles and musical tastes, which is why our BTEC values all music styles, skills and instruments. Allows the students to broaden their minds and foster a love of all music with a qualification that students of all abilities and backgrounds will enjoy.
